Jubilee Year of Bismarck Diocese

The year 1960 is the 50TH ANNIVERSARY of the erection of this diocese. The formal documents were drawn up in Rome and signed on March 21, 1910, by Pope St. Pius X. On April 9, Bishop Vincent Wherle O.S.B. was appointed first bishop of the newly established diocese. While the diocese was still in its pioneering years, the people were being tried by depression, drought and two world wars. During this time they made an outstanding effort to support their country. The return to prosperity gave the people new hope and the Church grew with the erection of churches, schools, convents, rectories, hospitals, and homes for the aged. As a sign of thanks to God for the blessings of the past 50 years, Bishop Hacker designated the Jubilee Year of 1960 as a EUCHARISTIC YEAR. Eucharist means Thanksgiving and this year will give the whole family a chance to pray together and make their homes truly Catholic homes.

HIS EXCELLENCY, THE MOST REV. HILARY B. HACKER, BISHOP OF BISMARCK
Bishop Hacker will lead a pilgrimage to the International Eucharistic Congress in Munich, Germany this Jubilee year.

St. Mary's Central High School is primarily guided by Bishop Hacker and the pastors of the three parishes who are aided by a lay advisory board and the superintendent with his assistants. We extend our appreciation to this Board of Directors whose main concern is the welfare of the student body.

Student Mission

The annual student mission was conducted at St. Mary's Central on November 15-20 by Father Howard Rallenkotter, C. P., Detroit, Michigan, for juniors and seniors and by Father Edwin Volk, Glenburn, North Dakota, for freshmen and sophomores.

"Come, Holy Spirit, let not your hearts be troubled." These were the opening words of Father Howard's first conference on Faith. He spoke of the joy of faith and urged students not to be half-baked catholics.

In a sermon on dating Father illustrated the way to have a perfect date by using Our Lady as a model. He proposed this question to the girls, "Do you want to be a cookie or a crumb?" Bits of humor added many light touches to Father Howard's conferences. He gave excellent spiritual advice to teenagers on Grace, the Mass, and the Holy Eucharist. All were reminded that one degree of grace surpassed all the treasures of nature, that the measure of our love of God is shown by our attention at Holy Mass, and that the surest, the shortest, and the easiest way to heaven is the Eucharist.

Father's conference on Character aided many of us teenagers. We were reminded that character is an inner

quality whereby a St. Mary's High School boy or girl steadfastly adheres to ethical principles despite the pressure brought on by friends. The ethical principles (the Ten Commandments, the Six Commandments of the Church, the 911 rules at home, the 15 rules at school) are the STOP and GO signs in between. This inner quality gives distinction because it revolves around the axis of the will.

Father Volk's Conferences were expressed by freshmen as follows: "The purpose for having a mission is to learn how we can live as Christ lived and what we must do in order to live happily forever in Heaven. Mission time is a time when we take a look at ourselves to see the good things we did and also the bad things that offended God."

"Father Volk gave some very excellent talks on how we can better ourselves spiritually and morally. I think that the mission was helpful in aiding me to know how I can know, love, and serve God more in this world."

"The main reason we have mission week is to help make God and our religion more real and alive to us. The point stressed was to stay in the state of grace, and keep God close to our hearts. The way to do this is to say our daily prayers go to the sacraments often, and hear Mass daily, if possible."

During the mission both priests urged students to make a good confession and emphasized the great peace of soul resulting from a worthy reception of the Sacrament. Private conferences were held daily by both priests.

Junior-Senior Banquet

Surrounded by a fountain of blue water and multi-colored flowers, the statue of Our Lady was the main attraction at the annual Junior-Senior Banquet at S.M.C.H.S. on May 5, 1959. "Paper-stone" walls, a cloister walk surrounded by flowers, and Kentucky fried chicken added to the festivity of the evening.

Bishop Hilary B. Hacker, the guest speaker, spoke on recreation and entertainment for young people. He said that there is a place for everything in life, working, eating, sleeping, and recreating. We honor God through our recreation. After the banquet, dance music was provided by the "Basin City Eight." The students kept pace with the rhythmical notes of the orchestra.

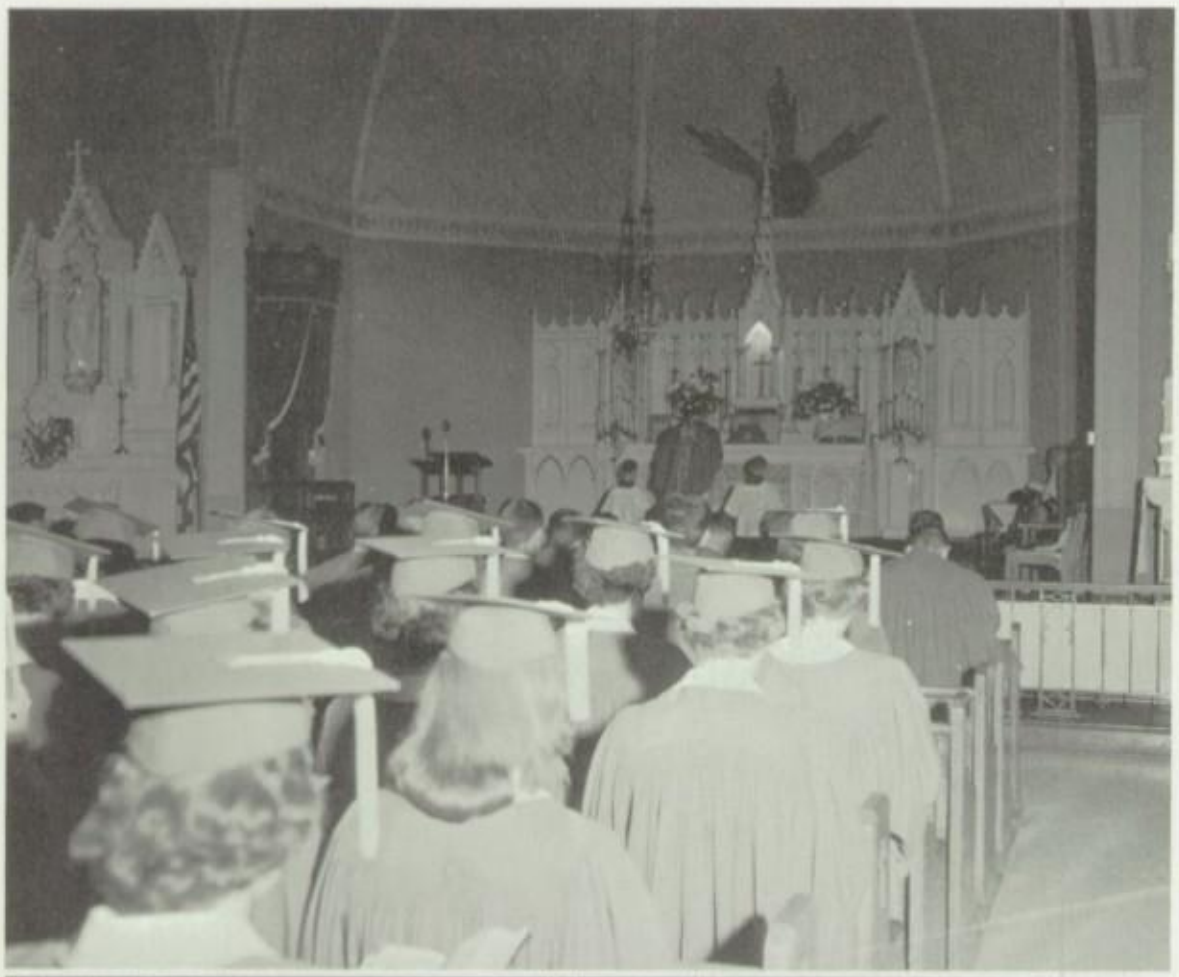
Baccalaureate



On Pentecost Sunday, May 17, 1959 Baccalaureate Mass was offered by Monsignor Robert A. Feehan at St. Mary's Pro-Cathedral. In Monsignor's address to the graduates he stated that graduation days are days of gladness. We gather together at Holy Mass to pray for strength and love so as to arrive at our eternal home, heaven. The Holy Spirit not only brings us peace, but works in our souls to help us know, love and serve God. Monsignor concluded his address by quoting this prayer:

"Lord make me an instrument of Your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, Hope; where there is darkness, light; and where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; for it is in giving that we receive it is in pardoning that we are pardoned."

Following Holy Mass the seniors were honored at a breakfast at SMCHS sponsored by the Junior Class.

FRESHMAN 1958-1959

In Memory of Joseph Schwalick

Incline Your ear, O Lord, to our prayers, in which we humbly entreat Thy mercy; and do You bring to a place of peace and light the soul of Your servant which You have summoned to go forth from this world and bid him to be numbered in the fellowship of Your saints.

May the angels lead him into paradise; may the martyrs receive him at his coming and lead him into the holy city of Jerusalem.

State Football Champions

Saints Scored 12—0 Over Redskins

Coach, Dave O'Brien, carried in triumph by the victorious team.

Saints Capture East-West Title

The Saints ruled the East-West Conference football ranks by winning the State Championship game after being the only Class A school to have an undefeated season.

Although no score was made in the first half of the game, the Saints scored two touchdowns in the third and fourth quarters to drop the Eastern titlist Grand Forks 12-0. The game was played on a cold but sunny day before a standing room crowd on Hughes Field which had been swept clean of snow by SMCHS seniors the day before.

The first touchdown was scored by George (the Rocket) Welder who took a handoff from quarterback Tom McDonald and ran 28 yeards "twisting and turning, shifting and dancing, being hit time and again by at least five defensive men but refusing to go down and crossed into the paydirt with 4:49 left in the third period." It was agreed that this was probably the most brilliant display of ball carrying ever seen on Hughes Field. The second and clinching touchdown was made by Andy Shafer in the fourth period.

Following the championship game victory fans crowded the St. Mary's locker room to praise the players and coaches. The players, smiling and happy, gave Dave O'Brien the traditional head coaches "award," an unscheduled dunking in the shower. He put up quite a battle dragging a clothes rack halfway across the room. Then the players gave a tremendous cheer for the "best coach in the State." The band who had performed during halftime, despite cold weather, played the school song outside the locker room.

1959 marks the fourth time that St. Mary's have been Class A Western Division Champions, and also marks the second State Victory.
